Burnaby, BC V5G 3H2

Dear Members of Project Review Committee:

I represent Suplus Technologies pleased to issue that Sabrina Xue's Office Management System has approved and accepted by our project manager.

The Office Management System is able to improve the work efficiency of the employees in the software development, and organized employees, customers and project information better. The functions of Office Management system have meted our requirements. And we are looking forward to work together for the future enhancement of the system.

If you have any questions, please contact us at +86 02785564621, or please send email to jiangxin@suplus.com.cn

Sincerely,

2015年3月31日
